

Dear ,

Congratulations and welcome to Flathead Valley Community College! You are admitted for fall semester 2018. The semester begins August 29th, and there are several things you need to do before then in order to register for classes.

Step one: Most students are required to take placements tests prior to enrolling in courses if you have not done so already. Information and instructions on the placement process are available at www.fvcc.edu/placement.

Step two: After taking your placement tests, you meet with an Academic Advisor to register for courses. Please contact the Student Support Center at (406) 756-3880 and request an appointment with an advisor to plan your schedule and register for classes.

Lastly: According to our information, you are considered an «Cost_Type» student. Current tuition and fees are listed www.fvcc.edu/tuition but may be subject to change. Payment plans are available; call Business Services at (406) 756-3831 for more information.

Thank you for choosing FVCC. We are excited to have you join our campus community, and we look forward to helping you achieve your academic and career goals.

Sincerely,

Jane Karas
