Dear Gina:

Flathead Valley Community College is not governed by a set of by-laws or ordinances.

FVCC is governed by a seven-member Board of Trustees. The Trustees are elected by the citizens of Flathead County. They serve three-year terms, on a rotating basis, with elections held yearly on the Tuesday in April.

The Trustees are charged with the primary responsibilities of setting college policy and selecting a President to administer the operations of the institution.

FVCC operates under the general supervision of the Board of Regents of the Montana University System.

I hope this is the information you desire. If you have questions, please call me at (406)756-3801.

Sincerely,

Carolyn Shriver
Secretary to:
David N. Beyer
President
