**10.57.215 RENEWAL REQUIREMENTS**

(1) Montana Class 1, 2, 3, and 6 educator licenses may be renewed with verification of 60 renewal units earned during the five years of validity through August 31 of the year the license expires.

(2) Participation in renewal activities is equivalent to the following renewal units:

- (a) one hour of attendance at a professional development activity = one renewal unit;
- (b) one quarter college credit = 10 renewal units;
- (c) one semester college credit = 15 renewal units.

(3) Renewal activities used to renew all licenses must be a planned and structured experience, of benefit to the licensee's professional development as defined in ARM [10.55.714](#), an exposure to a new idea or skill or an extension of an existing idea or skill, and in compliance with (4).

(4) Activities acceptable to renew licenses are professional development, training, workshops, or coursework consistent with PK-12 public school curriculum and may include:

- (a) credits earned from a regionally accredited college or university;
- (b) activities offered by renewal unit providers approved pursuant to ARM [10.57.216](#) and documented on an OPI renewal unit certificate;
- (c) other professional development activities offered by providers who have not been approved as a renewal unit provider pursuant to ARM [10.57.216](#), when licensees have received approval for the professional development activity from the Superintendent of Public Instruction;
- (d) another state's validated professional development activities other than college or university credit when the intent and structure of the process ensures the meeting or exceeding of Montana renewal unit requirements for licensure;
- (e) the instruction of a relevant college or university course by a Montana licensee who has achieved a graduate degree in an endorsed field of specialization; or

(f) verification of completing the National Board Certification (NBC) process through the National Board of Professional Teaching Standards or successfully achieving and renewing NBC licensure shall result in 60 renewal units. NBC renewal units may apply to renewal of an expiring license.

(5) The licensee shall be solely responsible for retaining the renewal unit verification to be used in the application for license renewal.

**10.57.216 APPROVED RENEWAL ACTIVITY**

(1) Organizations wishing to offer professional development activities for the award of renewal units must receive approval from the Superintendent of Public Instruction prior to offering activities. Status as an approved provider will continue as long as the provider is in compliance with (2).

(2) Approved providers of professional development for the award of renewal units must:

- (a) provide activities deemed appropriate for professional development of licensees in compliance with ARM [10.55.714](#) and [10.57.215](#);
- (b) prepare and award completed renewal unit certificates provided by the Superintendent of Public Instruction, or an approved facsimile, to eligible participants;
- (c) annually report the activities offered to the Superintendent of Public Instruction, including:
  - (i) the activity title and brief description;
  - (ii) date(s) and location(s) of the program; and
  - (iii) program schedule, name, and number of participants; and
- (d) maintain records of all professional development activities for which renewal unit awards are made for five years following the date of completion of the annual reporting requirement.

(3) The Superintendent of Public Instruction shall provide access to approved professional development providers and annually provide a report to the Board of Public Education, which shall include, at a minimum, a list of providers.

**10.57.218 RENEWAL UNIT VERIFICATION**

(1) Applications to the Superintendent of Public Instruction for license renewal shall include a listing of the activities completed for renewal as required by ARM [10.57.215](#). The licensee is responsible for maintaining official documentation verifying completion of renewal activities during the term of the license.

(2) The Superintendent of Public Instruction may conduct an audit of any renewal applications submitted. Those licensees selected for audit will be required to submit official transcripts or original renewal unit certificates within 60 days from the date the renewal application is submitted or from the date of the audit letter.

(3) Failure to respond within the time allowed to a request for renewal unit activities in connection with an audit may result in denial of license renewal.
