

## Core Theme Committees

**Purpose:** To provide oversight and tracking of the objectives and indicators for the Core Theme. Each Core Theme Committee Chair is responsible for writing their respective Core Theme report. Members help coordinate assessment activities related to the Core Theme, review data collected, and make recommendations to the Strategic Planning Council on revisions to the objectives and indicators of the Core Theme.

**Responsibilities**

- Review the objectives and indicators of the Core Theme on a regular basis
- Work with appropriate campus groups to facilitate assessment of the Core Theme
- Compile, review, and summarize results for reports
- Share results with appropriate campus groups and gather suggestions for improvement
