

1. Log in to the Faculty Portal and click the “Learning Outcomes” link under Course Management.

2. Select a course.

Department	CourseID	Section	Course Name	Start Time
ABODY	108	01	Select Intro Plastics & Adhsvs	8:00 AM

3. For each learning outcome, rate the level of overall student achievement (0 = low, 5 = high). The rating is required.
Indicate how students were evaluated and note any changes that you would make to improve student learning. This section is optional.

Learning Outcomes: Upon completion of this course, students should be able to...	On average, how well did students achieve this outcome?	How were students evaluated (test, essay, speech, etc.)?
1 Describe the basic differences between welding metal and welding plastic.	<input checked="" type="radio"/> 0 <input type="radio"/> 1 <input type="radio"/> 2 <input type="radio"/> 3 <input type="radio"/> 4 <input type="radio"/> 5	<input type="text"/>
2 Identify automotive plastics through the use of international symbols(ISO codes)	<input checked="" type="radio"/> 0 <input type="radio"/> 1 <input type="radio"/> 2 <input type="radio"/> 3 <input type="radio"/> 4 <input type="radio"/> 5	<input type="text"/>
3 List typical plastic and composites application in vehicle construction	<input checked="" type="radio"/> 0 <input type="radio"/> 1 <input type="radio"/> 2 <input type="radio"/> 3 <input type="radio"/> 4 <input type="radio"/> 5	<input type="text"/>
4 Perform plastic welding repairs.	<input checked="" type="radio"/> 0 <input type="radio"/> 1 <input type="radio"/> 2 <input type="radio"/> 3 <input type="radio"/> 4 <input type="radio"/> 5	<input type="text"/>
5 Perform two part adhesive repairs.	<input checked="" type="radio"/> 0 <input type="radio"/> 1 <input type="radio"/> 2 <input type="radio"/> 3 <input type="radio"/> 4 <input type="radio"/> 5	<input type="text"/>

Please outline any changes you plan to make, or would suggest to a future instructor, based on your evaluation of student progress. You can reference a specific learning outcome, or make general comments (this section is optional).
